DO YOU FEEL LIKE YOUR PRACTICES ARE UNORGANIZED? DO YOU NEED A SYSTEM TO FOLLOW? NO DRILL ROUTINES. NO SUCCESS.

We have helped coaches put as many as 6-10 wrestlers in their states' State Championship Finals in one season using our **online wrestling academy** and implementing our system into their teams! Furthermore, we have helped youth, middle school, and high school coaches around the United States to have career changing results and even to become famous coaches in their respective states. Set FIRE to your program and become a SUCCESS MACHINE with a **Purler Wrestling Academy Private Team Camp**.

Nick Purler's PRIVATE TEAM CAMPS are 'system' camps based off of our instructional online wrestling academy. The Purler Wrestling System is broken down into 4 parts, Basics, Phase I, Phase II, and Phase III. The Private

Team Camps utilize the Phase I and Phase II series as this makes up the CORE of the **Purler Wrestling Academy System** and we feel it should for your team as well.

These camps are designed to allow you to have an affordable wrestling camp for your entire team. We will get the team and coaches all on the same page drilling the **Purler Wrestling System**. Furthermore, the camp is designed to help coaches to streamline their program, focus their efforts, get all coaches of all levels onto one proven system, and to get their various teams onto a set of drill routines. After our camp, you will have the ability to run your program with the precision of a Swiss watch, and create astonishing results that are reproducible year after year, regardless of who is in the lineup or at the coaching helm.
